aziza

Aziza is one of the brightest, most in-demand stars of bellydance in the world today, recognized across the globe for her unparalleled ability to express the unique synergy of movement and sound that is the hallmark of this ancient art form. Her innate musicality, effortless creativity and lifelong training allow Aziza to fully inhabit the dance, capturing a range of emotion and intensity of expressive movement - subtle yet intense, fluid yet strong, poetic and powerful. Aziza is of the rare and gifted breed of performer whose styling is instantly recognizable, yet always evolving and new.

Aziza's exquisite and undeniable mastery of the stage is matched by her skill in the seminar classroom. An intuitive, concise and generous instructor, Aziza excels at inspiring dancers to reach the next level. Promoters and students alike appreciate her ability to present well-organized, relevant and useful bellydance material that is accessible and challenging to all levels of bellydancers from beginner to professional.

Daughters of the New Moon has been dedicated to bringing glimpses of Middle Eastern dance to Juneau residents since 1983; now as an affiliate of the Juneau International Folkdancers. Members are available year-round for teaching and performing, but take special pride in providing the opportunity for Juneau to see and experience performers of national and international renown each year at our annual workshop weekend event.

Thank you for your support to continue making it possible.
